N our last advertisement, we thought we would give a full description of our neat and beautiful stock of goods-now we don't see proper to put the printer to the trouble of mentioning all the different articles, therefore we say, if there is one or any merchant in this town who can beat us in the way of selection and selling cheap, we are willing to give them our hats. Ladies and gentlemen, we trust you will give us a call at our old stand, on Commercial R w, between Mr. Letfingwell's, and Messrs. Whites' stores. We may say the same of our engravings. We will never, as is done by a cotemporary, publish indecent model-artist pictures, such as no parent would allow a child to look at.
